## PHILOSOPHY FROM FLO

---

At the last meeting of the Board of Nursing, September 29, 1986 through October 3, 1986, an item on the agenda was discussion of the interpretation of Senate Bill 663 in regard to malpractice insurance tort reform. A portion of that Bill includes mandatory reporting for nurses employed by hospitals and surgicenters.

The law becomes effective January 1, 1987 but is, as yet, interpreted in regard to exact information to be reported and the subject of the report. In other words, who and what is to be reported to the Board of Nursing?

When a law is passed generally the agency or group who is to administer the law interprets it by promulgating rules and regulations, especially if the wording is in broad, general terms and, therefore, is not specific regarding how it will be carried out. Senate Bill 663 fits the description of being broad and general, therefore, there are many questions yet unanswered regarding nurses.

The wording of the law includes physicians, pharmacists, and nurses. Nursing was apparently included at the last minute, therefore, the wording is less clear as to the intent of the law for nurses.

Recently President Reagan signed into law a Bill titled, "Health Care Quality Improvement Act of 1986." This law includes peer review primarily for physicians but again, also includes "other licensed health care practitioners who are not physicians." It mandates reporting of physicians to Medical Licensing Boards if the physicians are reviewed and certain actions are taken by the reviewing body. The law provides for permissive reporting to the appropriate licensing agency on other licensed health care practitioners. I have just recently received a copy of the Bill but have no other information on rules and regulations. It will be regulated, as can be expected, by the Department of Health and Human Services. I have contacted them in hopes of receiving rules and regulations when they are finally promulgated.

The Executive Directors of the Boards of Nursing, Pharmacy, and Healing Arts have been charged with the task of preparing rules and regulations in regards to who reports, what is reported, how it is done, and when the reporting is to be done so you will be hearing from me later.

NOTICE OF FEE CHANGES

TITLE 4 - DEPARTMENT OF ECONOMIC DEVELOPMENT  
DIVISION 200 - STATE BOARD OF NURSING  
CHAPTER 4 - GENERAL RULES

PROPOSED AMENDMENT

4 CSR 200-4.010 Fees. This amendment changes subsection (1)(C) and (D), paragraph (1)(J)2. and adds new subsections (1)(K) and (L).

PURPOSE: To establish new fees and charges authorized by chapter 335, RSMo (Supp. 1981).

(1) The following fees are hereby established by the State Board of Nursing:

- (C) Endorsement Fee —— Registered Professional Nurse \$[10.00]25.00;
- (D) Endorsement Fee —— Licensed Practical Nurse; \$[10.00]25.00;
- (J) Annual Renewal Fee —

2. A renewal fee of [five dollars (\$5.00)]twelve dollars (\$12.00)per year shall be accepted by the Missouri State Board of Nursing only if accompanied by a completed renewal application.

- (K) Photostatic copies per page \$0.10; and

(L) Gathering Data. Information requested from the board by members of the public which requires staff man hours for collection - first eight (8) hours no charge, then ten dollars (\$10.00) per hour for each hour thereafter.

Auth: chapter 335, RSMo (Supp. 1981). Emergency rule filed Aug. 13, 1981, effective Aug. 23, 1981, expired Dec. 11, 1981. Original rule filed Aug. 13, 1981, effective Nov. 12, 1981. Emergency amendment filed Feb. 10, 1982, effective Feb. 20, 1982, expired June 20, 1982. Amended: Filed Feb. 10, 1982, effective May 13, 1982. Amended: Filed Oct. 13, 1982, effective Jan. 13, 1983. Amended: Filed Dec. 13, 1983, effective March 11, 1984. Amended: Filed June 29, 1984, effective Nov. 11, 1984. Amended: Filed Nov. 14, 1986.

State Agency Cost: This proposed Amendment will not cost state agencies or political subdivisions more than \$500.00 in the aggregate.

Private Entity Cost: This proposed Amendment will not cost private entities more than \$500.00 in the aggregate.

The annual renewal fees were increased in the 1982/1983 renewal period and remained at twelve dollars (\$12.00) until the 1985/1986 renewal period when they were lowered to five dollars (\$5.00). This was done following a State Auditor's report which criticized the Board and recommended a reduction. A fee schedule was recommended by the Division of Professional Registration and was subsequently adopted by the Board of Nursing. As costs increased appropriations exceeded revenue, which in turn gradually decreased the fund balance over a period of years. At the time fees were decreased it was done with the realization that, in the future, fees would again have to be raised to maintain the fund balance at a more consistent level.

Additionally, the Division of Professional Registration, of which the Board of Nursing is a part, will bear the expense of a new building to replace the existing "temporary" facility which the Board moved to in January, 1975.

NOTICE OF FEE CHANGES, cont.

The endorsement fee refers to the fee charged to nurses applying for licensure in Missouri from another state. This fee includes issuance of a temporary permit; Missouri does not charge a separate fee for this.

Following is a table of fees from the midwestern states as published by the American Nurses Association, Copyright 1985. As you can see, Missouri is among the lowest, at this time.

<u>STATE</u>	<u>EXAMINATION</u>	<u>ENDORSEMENT</u>	<u>RENEWAL (ANNUALIZED)</u>	<u>VERIFICATION</u>
Arkansas	41.50	50.00	12.50	—
Colorado	29.00	33.00	7.50	10.00
Illinois	15.00	25.00	10.00	10.00
Indiana	40.00	25.00	5.00	—
Iowa	40.00	56.00	12.00	30.00
Kansas	60.00	60.00	12.50	6.00
Kentucky	70.00	50.00	15.00	10.00
Louisiana	35.00	30.00	15.00	15.00
Minnesota	50.00	40.00	8.00	10.00
Missouri (current)	15.00/10.00	10.00	5.00	5.00
Nebraska	50.00	50.00	10.00	5.00
Ohio	32.00	32.00	5.00	10.00
Oklahoma	55.00	55.00	15.00	—
Tennessee	41.50	60.00	5.00	10.00
Texas	30.00	45.00	5.00	10.00

The proposed fee changes would place Missouri at about the national average for renewal fees. Twenty (20) states have higher R.N. renewal fees, two (2) states are at twelve dollars (\$12.00) annually, and twenty-seven (27) states are lower. Sixteen (16) states have higher L.P.N. annual renewal fees than Missouri's proposed change, two (2) states are at twelve dollars (\$12.00) annually, and thirty-one (31) states are lower.

Forty-three (43) other states have higher endorsement fees than Missouri's proposed change to twenty-five dollars (\$25.00). Five (5) other states are at twenty-five dollars (\$25.00), and one (1) is lower at twenty-four dollars (\$24.00).

**NOTICE TO SUBMIT COMMENTS:** Anyone may file a statement in support of or in opposition to this Proposed Amendment with the State Board of Nursing, Florence B. McGuire, R.N., M.S.N., Executive Director, P.O. Box 656, Jefferson City, MO 65102. To be considered, comments must be received within 30 days after publication of this notice in the Missouri Register. No public hearing is scheduled.

~~~~~  
COMMENTS FROM CAROL  
~~~~~

As I am writing this, there are only fifteen more shopping days till Christmas. Here in the Board Office, we are concerned with how many more days till the 1987 renewal period. There are a few areas I'd like to clarify before the renewal period begins.

LICENSURE VERIFICATION:

Because our law states that any nurse who has not renewed their license by the last day of the renewal period cannot legally practice nursing in the State of Missouri, we would like to assist employers in the event that a nurse has not renewed and would be unable to be scheduled for work.

We were pleased with the response from employers to our licensure verification procedure last year and plan to continue the same procedure this year. We hope that we will continue to have a good participation by employers in this renewal verification effort. Basically, the procedure is as follows:

1. Prior to April 15th for R.N.'s and May 15th for L.P.N.'s, please request a current renewed license from each employee.
2. On April 15th for R.N.'s and May 15th for L.P.N.'s please make a list of nurses in your facility who have not shown a current, renewed license for verification.
3. Send the Board Office a listing of nurses who have not renewed (please include both their name and license number) fifteen (15) days prior to the expiration date of license. (We will wait one (1) week and send the listing back to you verifying those that have renewed.)
4. The Board Office will keep a copy of the listing. The last day of renewals we will contact your facility and verify those who have renewed and are on the computer.

---

COMMENTS FROM CAROL, cont.

---

GRACE PERIODS:

There is no "grace period" which will extend the time for licensure renewal past the date established expiration date (April 30th for R.N.'s and May 31st for L.P.N.'s). Any nurse who has not renewed by these dates may not continue to work. There is a grace period which has been established by the Board which deals with fees for late renewal. There is a thirty (30) day grace period following the end of the renewal period during which the late penalty fee does not have to be paid.

There is another grace period which concerns new graduate nurses who have received results from Board examinations. All graduates who write the exam in Missouri are automatically licensed after passing the exam if they have met all requirements. When they receive results, the results will be accompanied by either a license or a letter which states that they are now legally eligible to practice nursing in Missouri. The period of exempted practice for new graduates ENDS on the day that results are received; thus the new graduate must be in the possession of a license or a document confirming legal practice in the state where exams were written in order to continue working in this State. The Board recognizes that it takes time to get this documentation of successful examination results into this office so that a temporary permit for practice as a licensed nurse can be issued. Therefore, the Board has established a thirty (30) day grace period for new graduates who have their new license or a copy of the results of the exam AND the documentation from the state in which they wrote the exam which confirms that they are now eligible to practice as a licensed nurse. After receiving this documentation, a temporary permit will be issued and the licensure process will proceed. If a graduate has not submitted the required documentation to this Office within the thirty (30) day grace period, they must cease working immediately and not return to work until they have the necessary permit. If we can be of any assistance to employers in verifying where a graduate is in the licensure process, we would be happy to do so.

BOOKS OF CURRENT R.N.'S AND L.P.N.'S

---

There are books available of all Registered Professional Nurses and Licensed Practical Nurses that are currently licensed in the State of Missouri. Anyone wishing a copy of one of these books must send a letter of request to the Missouri State Board of Nursing, Post Office Box 656, Jefferson City, Missouri 65102. The cost will be approximately \$20.00 for Registered Nurses and \$10.00 for Licensed Practical Nurses; cost subject to change. Send no money with letters of request; you will be billed at a later date.
